

BREMAT HOLLAND BV

Privacy statement

Bremat Holland B.V. processes personal data of customers, suppliers and other contractors/clients, which are necessary to provide them with requested information, such as advice, offers/quotes, marketing and/or specifications. In addition, the data are used for working out an agreement, invoicing and communication because you purchase products from us, use our services and/or are our supplier. Furthermore, the data are used for our personnel policy, such as recruitment and selection of new employees and personnel administration. Personal data are also processed by Bremat Holland B.V. to comply with our legal obligation.

Bremat Holland B.V. collects and processes personal data in a way that guarantees a high level of protection. For each processing of data there is a purpose and/or a legal basis. Because we want to make sure that your data is safe with us, we only keep the necessary data which are needed for a good and adequate cooperation and handling.

We take the protection of your data seriously and take appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized modification.

Our employees are aware that your personal data must be kept private and secure.

By using our products and/or services or providing products and/or services to us, you consent to the processing of your personal data.

You are under no obligation to provide your personal data. However, if you do not provide us with personal data or do not provide us with sufficient personal data, we may not be able to perform the supplies, services and/or work you have requested.

We keep personal data carefully and no longer than is necessary for the realization of the purposes for which they have been provided to us and/or established by law.

In connection with the performance of any cooperation or agreement with you, we may need to provide your personal data to third parties who supply us with parts, materials, products and/or services or who perform work for us on our behalf. In addition, we may have to provide your personal data to third parties in order to comply with a legal obligation.

You have the right to ask us to view your own personal data. If there is reason to do so, you may ask us to provide you with an overview of that data. If in your opinion the data is incorrect, incomplete or redundant, you can ask us to change, supplement or delete it.

You can submit a request for inspection, correction or deletion to us for this purpose.

You also have the right to file a complaint with the national supervisory authority, the Authority for Personal Data. You can do this on the website of the Authority for Personal Data.

For our handling and management regarding cookies and Google Analytics, please refer to the statement prepared for this purpose.
